February 1, 2017

Dear MAFP Member,

Whether you are preparing for Board examination or want to update and improve your clinical skills, Core Content Review of Family Medicine is a comprehensive and practical home-study program that can be used anywhere, anytime at your convenience.

Core features 60 hours of CME credit and is in its fifth decade of providing continuing education for thousands of family physicians. Core is developed by a national faculty, composed of both leading educators and practicing physicians. All Core Content Review material is peer reviewed by a committee of family physicians ensuring applicability to current primary care.

I hope you take the time to review the enclosed information. I want to remind you that Core has a 98% pass rate, offers a money back guarantee and a portion of every sale benefits our own MAFP.

Sincerely,

Sue H. Simmons, MD
President
