KSA GROUP LEARNING SESSION ON WOMEN'S HEALTH

Saturday, July 21, 1-5 pm, Fee \$125/\$225

MAFP is here to help you meet American Board of Family Medicine (ABFM) Maintenance of Certification (MC-FP) requirements while you attend our Annual Meeting. Along with your peers, you'll complete a Knowledge Self-Assessment (KSA) on Women's Health, and you'll get it done faster - and better. Space is limited. Please register on enclosed form.

Led by Jennifer Gholson, MD, and Katie Patterson, MD, FAAFP. The fee is \$125 for members/\$225 for non-members.

The Knowledge Self-Assessment is an assessment of the Diplomate's knowledge in a particular domain. Each domain consists of core competencies that the Diplomate must master. In order to successfully complete the assessment, eighty percent (80%) of the questions in each competency must be answered correctly. If the Diplomate is not successful initially, he/she moves to a review mode, in which a critique and reference for each incorrectly-answered question can be reviewed before inputting new answers to the missed questions. The Certification process includes a minimum requirement for completing the Knowledge Self-Assessment activity at every stage. This is the only minimum self-assessment required activity.

JOLEE ISLAND GETAWAY

Ages 4-12, \$50 per child

One of Sandestin Resort's best-kept secrets is its own Jolee Island. We invite the kids to explore this 5-acre nature park and discover great hideaways, scenery and trails. The wooden footbridge will take you across a salt marsh to the island that has a pirate ship playground and porch swings. Once you arrive, splash your cares away by playing on the huge water slide and inflatable slip-and-slide reserved just for our group. Don't miss this day of sliding fun! Please wear swimsuit, sunscreen and bring a towel. **The \$50 fee includes slides, staff supervision and refreshments. Please register on enclosed form.**

ACADEMY AMAZING RACE

Monday, July 23, 5-7 pm
\$25 fee per family or team

Don't miss our first Academy Amazing Race, which takes place at various locations throughout the Sandestin Resort. This game will be similar to a huge scavenger hunt with challenges and clues along the way. Instead of receiving a list of objects to find, clues will be given throughout the game that lead each team to a particular destination where a task, challenge or clue is waiting. Once completed to the judges' satisfaction, teams receive their next challenge. They either race to their next clue, find it in a hidden location or complete a task to receive it. There are detours where teams must choose which challenge they will complete and there are roadblocks to challenge the group. Each team is racing to be the first team to the finish line and become the champions of the Academy Amazing Race. **The \$25 fee includes game instruction, judges and refreshments. Please register on enclosed form.**
